Table with 4 columns: Child's Name, Medical Condition (Use Codes from Above), Daily Meds, Allergies. Includes multiple rows for data entry.

Students with severe allergies and asthma will need to have a completed Individual Health Care Plan on file in the office. Students with other chronic diseases may also need to have an Individual Health Care Plan on file, as well.

Indicate any severe injuries, hospitalizations, or surgeries we should know about. (Please note which child and month and year.)

Indicate any other information about your child/children that is relevant to their health at school. (Please note which child.)

All students will receive basic first aid and emergency care as needed. By signing this form, I consent to these services being given to my child/ren. I further agree that if emergency service involving medical action or treatment is required and the parent(s) or guardian(s) cannot be contacted, I hereby consent for the student to be given medical care by the doctor or hospital selected by the school.
