On behalf of the OktoberFest Committee and our families, we enthusiastically invite you to the 18th Annual Cathedral of St. Raymond OktoberFest. We are proud to organize the school's largest fundraiser, which contributes directly to the operating budget.

Along with many things in 2020, OktoberFest will look different than it has in the past. The ever-changing climate has challenged us to be flexible in our planning and continually reimagining what is possible for the event.

Although the event will be virtual, our goal remains to provide fellowship for our St. Raymond community while raising money to support our school and the students.

Most of the revenue generated from this event comes from the Silent Auction and Raffle – both of which rely on private individual and business donations. We are asking our school families to consider donating their time and talent in a variety of ways:
