Summer Reading for the Family

There's no better way to foster the love of reading than to enjoy a good book together as a family. This summer we will be providing parents an easy way to make this happen in your homes. The first 50 families to sign up will be given a copy of the book as well as discussion questions for each chapter. Below is a summary of the book we are offering. Please register using this link by Tuesday, May 24th. All materials will be sent home with your child on Wednesday.

<https://forms.gle/SnGjEggvgvY7VMDBA>

When Beryl decides to look for a family that will love her just the way she is, from her pig nose to her curly tail, she bravely sets off on a journey that will ultimately change her life forever.

Away from the cruel and ill-tempered pigs on the farm where she grew up Beryl finds her preconceived notions of wild pigs, and everything else put to the test. With the help of many unlikely friends she meets, Beryl discovers, at the cost of some heartache, that there just might be a place she could call home after all. If she could only get there...

A wonderful story to teach your child about compassion.
