

July 2022

Dear Friends of St. Raymond School:

For more than a century, St. Raymond School, serving preschool through eighth grade, has positively impacted the Joliet community. Throughout our years of existence our graduates have gone on to be teachers, tradesmen, executives, and business owners, **all with a moral compass to do good in our community and world.** Created to be a small, close-knit community, St. Raymond School prides itself on being a place where every child is known by name. This promotes strong connections to the school, the parish, and the community we serve.

On October 22, 2022, St. Ray's will host its **20th annual OktoberFest.** The purpose of OktoberFest is to bring together alumni, friends, parents and parishioners in fellowship and to raise money for the academic programs of St. Raymond School. It is a spectacular event full of energy and love for a place that we are all connected to in some way! **And with it being the 20th anniversary, it plans to be bigger and better than ever!**

We are asking for your support. With the continued challenges of a world-wide pandemic and the recent impact it is having on our economy, we know this may be asking a lot. Your consideration of our request means the world to us and to the families we serve. Last year when the children of St. Ray's School needed you, you were there to help. Your support helped us raise over \$86,000. **This helped us purchase a new science curriculum, new computers for some of the teachers, new access points to increase our wireless strength and an upgrade to our lighting system in order to be more environmentally friendly and cost effective.** All of this supports our mission of providing our school families with an education of unparalleled quality.

Our hope is that you will find benefit in sponsoring O'Fest. The enclosed document shares the value at each level of sponsorship. Upon reviewing these options, we hope that you will choose to partner with us to continue our tradition of excellence.

On behalf of our students, parents, staff, and alumni **we thank you in advance for your consideration and look forward to your participation.** Please feel free to contact us with any additional questions.

In gratitude,

Ms. Marjorie Hill
