*Pre-School is not a part of compulsory attendance in the State of Illinois. Because of this, all preschools in the Diocese of Joliet are required to be self-supporting and do not receive any parish subsidy. We understand the importance of early childhood education; therefore, we do not want the cost to prohibit families from enrolling. Families with a child enrolled in K-8 are extended a 20% discount on pre-school tuition.

Tuition Reduction Opportunity

Families have the opportunity to decrease their tuition by using the MANA Program. Simply purchase gift cards for stores that you frequent or even buy as gifts for others. The incredible discounts earned by your family will be applied to your child(ren)'s tuition in the form of a rebate. Order forms are in the office.

Tuition Assistance Opportunities

Need based scholarships (K-8) are available through the St. Raymond Endowment Fund, the Diocesan Catholic Education Foundation (CEF) or Empower Illinois Scholarships.
